NEWSLETTER

WHAT'S
NEW?

What has
CKI been
up to?

It has been quite some time since we have been able to put a newsletter together, SO let's get you all caught up on what's new!

CKI held Enrichment Day Camp this summer from June 5th-June 29th. Our students were engaged in language arts, math, and social studies but we made time to play outside and get the wiggles out as well. We focused on team sports and learning how to be a good sport and a good friend.

On July 24th we welcomed our new Executive Director Ragenia Velazquez. She brings many years of early childhood experience to Cornerstone and we are so excited to have her.

On August 9th we distributed backpacks full of school supplies to our students. They were all ready for the first day of school on August 10th. Thank you so much to our donors for supporting these students and helping to give them the best start to the school year!

Cornerstone Kids Inc

CKI opened for school aftercare on August 14th.

This year we are very fortunate to be able to participate in the MyOn reading program that is offered to Hillsborough County students. In addition to this we have secured a grant to assist with the purchase of tablets and headphones. This will allow us to help our students to further their reading development hand in hand with their schools. We are looking forward to implementing this program this fall.

Thank you for supporting the Cornerstone Kids Inc program. We would not be able to do what we do without you!
