

Cornerstone Kids Inc

SEPT 2023

# NEWSLETTER

## WHAT'S NEW?

Can you believe we are already at the end of September?! Time flies when you're having fun!

The school year is off to a great start! Our students have been enjoying being able to utilize the computer lab again. We have used the computer lab to access MyOn as well as do research.

Groups have been working on reading comprehension and social emotional wellbeing.

We have been focusing our reading topics this month on learning about Latin/Hispanic countries and celebrated people who are from those countries. The students have enjoyed learning about the history, food and culture of Mexico, Puerto Rico and Cuba so far.

Volunteers from Academy of Holy Names, Jesuit, Teens In Action and Food Recovery Network have started back up. The students have enjoyed having these volunteers pop in.

We appreciate these partnerships with the community and our students benefit greatly from their presence.

# Cornerstone Kids Inc

We would like to take a moment to welcome our newest instructor, Anila. She is a student at Hillsborough Community College pursuing her Psychology degree. We are very excited to welcome her to the CKI community.

## THANK YOU

We are sending out a very special thank you to Mrs. Leggett! We can't thank her enough for stepping in to help CKI with summer camp and getting the school year started. Mrs. Leggett will be leaving us at the end of September to continue to enjoy being retired.

Mrs. Leggett has been a constant driving force behind Cornerstone Kids and we definitely have some big shoes to fill.

Volunteer with us!  
We are always seeking tutors  
and mentors.

Check out  
our Amazon  
wish list.
