

Cornerstone Kids Inc

NEWSLETTER

MAY 2024

Dear Friends and Supporters,

As we enter the final month of the 2023-2024 school year, it's hard to believe how quickly time has passed. Currently, we are assisting our students in reviewing and preparing for end-of-year assessments. We take great pride in the dedication and hard work our students have shown throughout this academic year.

After the school year ends, Cornerstone Kids will transform into a summer day camp operating from Monday to Thursday, 12 pm to 4 pm, starting from June 3rd to July 11th, including a special Vacation Bible School week.

Applications are now open for students from rising Kindergarten to rising 4th grade. Please note that spaces are limited and will be allocated on a first-come, first-served basis. Attendance in the aftercare program is not a prerequisite for participation in the summer program.

Volunteer with us!
We are always seeking tutors and
mentors.

Got Sneakers?

Make a Positive Impact With Old Sneakers!

To date we have sent out FOUR very full bags to be recycled and we have more ready to ship out

The sneakers that we all collect will help raise money to support our program AND will help our environment by keeping sneakers out of landfills.

Here is all you need to do. Stop by St. James House of Prayer and drop your sneakers in the box labeled GOT SNEAKERS. That's it! We will take care of the rest.

Can't stop by to drop them off give Lizz a call to arrange a pickup!

THANK YOU!

I want to take a moment to personally thank all of the volunteers who give of their time.

We are extremely fortunate to have such a dedicated group of individuals. We say it all the time, but it really does take a village and we have built a great village.

If you would like to know more about volunteer opportunities please reach out to us.
