NEWSLETTER

JUNE/JULY 2024

Dear Friends and Supporters,

We had an amazing summer at Cornerstone Kids Inc., and it went by in a flash.

Throughout the summer, we focused on learning while also enjoying some fun activities. Our summer readings covered influential African American musicians, Juneteenth, July 4th, and the Olympics. We had a great time with magician Razzmatazz, Kona Ice treats, and roller skating. This summer marked a special occasion as Cornerstone Kids hosted its very own Vacation Bible School for the first time, which was a huge success. Students had a blast taking a break from the usual routine to sing, create art, and learn about the importance of friendship. Since the end of VBS, the students now kick off each day with a cheerful "Hello, everybody." It was a joy to offer this experience to our students, and I look forward to continuing this tradition in the coming years.

As we transition from summer to the upcoming school year, our focus now shifts to preparing our students. Every year, we equip our students with backpacks filled with school supplies to ensure they have a successful start to the academic year. A heartfelt thank you to St. John's for their generous contribution towards this initiative. If you would like to support us in providing these essential supplies, please visit our website. For those interested in donating supplies directly or contributing to student school supplies, please refer to our Amazon wish list.

*Sincerely,
Lizz Ward*
