

# Cornerstone Kids Inc

**NEWSLETTER**

**OCTOBER 2024**

Dear Friends and Supporters,

Today's students are facing significant challenges in regulating their emotions and developing empathy. This may stem from the lingering effects of the COVID pandemic or broader societal changes. As a result, our students need additional support in these areas. While we prioritize enrichment, it is equally important to dedicate time to understanding our emotions, learning to manage them positively, and fostering good friendships with those around us.

In Hillsborough County, students have an early release on Mondays, giving us an extra hour with them. We utilize this time to engage in reading and activities that address social-emotional issues. Our students participate in meaningful discussions about kindness, respecting others, and coping strategies for managing their own intense emotions.

*Sincerely,  
Lizz Ward*
