NEWSLETTER

MAY 2025

Dear Friends and Supporters,

I want to extend my sincere gratitude to everyone who joined us for our 2025 Fundraising Gala—Passport to Success—on March 27th.

It was a wonderful evening dedicated to celebrating and raising funds for students in Tampa Heights. We are immensely grateful for every donation, as your generous support enables us to continue the mission of Cornerstone Kids Inc.

I have refreshed our Amazon wish lists: one list is for general program supplies and needs, while the other is for our backpack and school supply distribution at the end of summer. We hope you will consider purchasing items from these lists occasionally.

Don't forget to visit our website for newsletters and program updates and follow us on social media!

Sincerely,
Lizz Ward

We are always seeking tutors and
mentors.

As the school year comes to a close, our students are entering testing season. We are diligently assisting them in reviewing and preparing for their end-of-year assessments. This year, we will bid farewell to five 5th graders who are ready to spread their wings and transition into 6th grade. While it's bittersweet to see them go, we take pride in watching them grow into remarkable young individuals.

This summer, Cornerstone will proudly host a six-week program designed to help our students avoid the summer slide while ensuring plenty of fun! We're excited to announce that we'll be bringing back our popular VBS week, which was a tremendous success last year. Additionally, we are planning various enjoyable activities, including:

- Noah's Ark Workshop
- A visit from Kona Ice
- A Bounce House
- A trip to the skating rink

We hope to add even more exciting events as summer approaches, so stay tuned for updates!
